APPLICATIONS

Streamline the collection of application and/or registration materials for all your programs.

+

MEDIA

Receive and store unlimited media files (we support a wide variety of file types) directly in the applications collected by your program.

+

ADJUDICATION

Review applicants within the platform using our customizable adjudication tools that can be unique to each program.

+

STAGES

Move your applicants through a multi-stage process in order to collect additional materials and/or fees.

+

SCHEDULING

Easily conduct your auditions and/or interviews using Acceptd's scheduling tool made exclusively for arts organizations.

+

AUDITIONROOM

Make your program even more accessible by conducting live virtual auditions and/or interviews via our unique Zoom integration within the Acceptd platform.

+

STAGETIME PARTNERSHIP

Integrated Stagemate profiles into Accepted applications streamlines the process, encouraging more applicants.

Reviewers benefit from up-to-date information, enhanced efficiency, and accuracy.
